

It's a Good Day SP

A Good Day! Yes, it's a good day! (A Good Day)

Chorus right - Right hand "jazz hands from left to right across body
A Really fine day.

Chorus left - left hand "jazz hands from right to left across body

A Good Day from mornin' til night **Hands down**

Yes, it's a good day for singing a song

**Start moving on "Good day" Turn slightly left and
put your left hand on your neighbor's shoulder by the word
"Singing"**

An it's a good day for movin' along

**(Train move) Right arm bent at waist level right leg straight and forward on
the word good. Right arm and leg back on second half of the word day
forward with right hand and leg for Move and back for along 2 times**

Yes, it's a good day, how can anything go wrong?

Arms at shoulder level, palms up, slightly shrug shoulders

A good day from mornin' till night.

Yes, it's a good day, for shinin' your shoes

And it's a good day for losin' the blues **point down to shoes with both hands
turn body slightly to right**

Thumb up over right shoulder twice (as if Hitchhiking)

Everything to gain and nothin' to lose

(Umpire Safe sign)

Yes, it's a good day from mornin til night.

I said to the sun good mornin sun, rise and shine today

You know you gotta get going if you're gonna make a showin' And you know
you've got the right of way.

Cause it's a good day for paying your bills and it's a good day for curing your ills.

Back of your right hand to your forehead as if feeling faint

So take a deep breath sigh And throw away your pills

**Take a deep breath and sigh and make an "exhausted move of some kind
followed by "throw away" motion**

Cause it's a good day from morning til night

Starting from chorus left front row every other person step out one step

it's a good day from morning til night

Remaining front row people step out two steps

It's a good, good day from morning til night....

Front row - first set of people step one step to right

second step one step to left

All back to chorus position.

All Night

Both hands forward, palms up, waste level
