

Help us identify the creator of this lovely tag

We always strive to identify and recognize the writers of tags placed in our magazine and in the free tags area on our website, www.barbershop.org/tags. So far, we've not been able to find the creator(s) of this fine tag, "My Love Has Gone." Anyone having that in-

formation, please contact me at JoeLilesMusic@gmail.com.

The poignant baritone note on the downbeat of measure 4 was added by our illustrious arranger and long-time friend, Tom Gentry. Thanks, Tom! ■
